List of Preparers

Public Agency Staff

Name	Title
Federal Transit Administration	
Marisol Simón	Regional Administrator
Mark Assam, AICP	Environmental Protection Specialist
Jay Ciavarella	Director, Office of Planning & Program Development
Susan Orona, AICP	Community Planner
NICTD	
Michael Noland	CEO/General Manager
John Parsons	Director, Marketing and Planning
Nicole Barker	Director of Capital Investment and Implementation

Consultant Team

Name/Title	Education	DEIS Contribution	Years of Experience
AECOM			
Paulette Vander Kamp	Bachelor of Science, Civil Engineering	Project Manager	23
Gary Foyle, Manager II, Project Management	Masters, Economics Bachelors of Arts, Economics	Deputy Project Manager, Planning Task Lead	41
Scott Bressler, AICP	Masters of Urban and Regional Planning	NEPA Reviewer and Document Preparation	19
Laura Brooks, Environmental Scientist	Bachelor of Arts, Environmental Science	Hazardous Materials Analysis and Technical Report	9
Jenna Brose, PE	Bachelors of Science, Civil Engineering	Traffic Analysis	8
Scott Brown, AICP Planner	Masters, City & Regional Planning	GIS Analysis, Neighborhoods and Community Facilities, Land Use	10
Eric Bullerman, Senior Rail Engineer	Bachelors of Science, Civil Engineering	Alternatives Analysis, Engineering, Engineers Estimate of Probable Construction Costs	15
Bridget Bulthaupt, Staff Scientist III, Geologist	Bachelor of Science, Geology	Soil and Geology Analysis; Archaeological Resources Technical Reports	19
Nagaraju Kashayi Chowdojirao, PE, Consultant II	Masters, Civil Engineering, Bachelors of Science, Civil Engineering	Travel Forecasting Modeler	8
Angie Christo, PE/PTOE Senior Engineer	Masters Management Bachelors of Science Civil Engineering	Traffic/Rail Operations	25
Patrick Coleman, PE Senior Consulting Manager/ Professional Engineer	Masters, Engineering Bachelors of Science Civil Engineering	Travel Forecasting Lead	23
Ahmed Dib, Rail Engineer	Bachelors of Science, Civil Engineering	Alternatives Analysis, Engineering, Engineers Estimate of Probable Construction Costs	1

Name/Title	Education	DEIS Contribution	Years of Experience
Zorina Disheva	Masters of Science, Civil Engineering, Bachelors of Science, Civil Engineering	GIS Analysis Traffic Analysis	3
Stacy Eastman Senior Environmental Scientist	Masters, Biology Bachelors of Science, Natural Resources	Threatened and Endangered Species, Wildlife, Water Resources	19
Lynn M. Gierak, RPA Manager/Senior Scientist-Archaeology	Master of Arts, Anthropology Bachelor of Arts, Anthropology	Archaeological Resources Analysis; Archaeological Resources Technical Reports	29
Nathan Guequierre, Senior Planner	Master of Urban Planning	Environmental Justice and Visual and Aesthetics	27
James Hannig, Transportation Planner	Master of Urban Planning	HazMat	12
Christy Haven Environmental Manager	Masters, Environmental Economics Bachelors of Science, Economics	Environmental Task Lead Preparation of the Draft Environmental Impact Statement	15
Rob Hertz	Masters of Urban and Regional Planning	NEPA Reviewer, Safety and Security	25
Tom Herzog	Masters, Finance Bachelor of Arts, Physics and German	Noise and Vibration Analysis Air Quality Analysis Energy Analysis	23
Anna L Hochhalter	Masters of Landscape Architecture Bachelors of Science, Environmental Studies	Wetland Delineations and GIS Analysis	10
Toni Horst Senior Consulting Manager	PhD, Regional Science Bachelors of Arts, Economics and Government	Land Acquisitions and Displacements; Economic Impact	20
Kai Huang, Rail Engineer	Masters of Science, Civil Engineering	Alternatives Analysis, Engineering, Engineers Estimate of Probable Construction Costs	3
Amanda Jenkins Staff Scientist- Geology	Bachelor of Science, Environmental Science - Geoscience	Archaeological Resources Analysis and Technical Reports	14
Kirsten Johnson, Senior Historian	Master of Arts, Public History and United States History	Historical Resources Analysis	18
Andrew Komendantov, Economic Analyst	Bachelors of Science, Economics	Land Acquisitions and Displacements; Economic Impact	3
Kirsten Mawhinney, PE	Bachelors of Science, Civil Engineering	Transportation Analysis Utilities Analysis	11
Trina Meiser, Senior Historic Preservation Planner	Master of Arts, Historic Preservation Planning; Bachelor of Arts, History	Historical Resources Analysis	16
Cheryl Nash, PWS Senior Project Scientist	Masters of Science, Environmental Biology Bachelors of Science, Biology	Natural Resources Technical Report; Natural Areas, Wildlife and Habitat, Protected Species; Farmlands Wetlands, Surface Waters, waters of the U.S./State, Coastal Zone Management	22

Name/Title	Education	DEIS Contribution	Years of Experience
Priyal Pandya	Masters, Environmental Engineering Masters, Chemical Engineering	Air Quality Analysis Energy Analysis	11
Linda Peters	Bachelors of the Arts, Anthropology	NEPA Reviewer	19
Leslie Roche, AICP Planning Manager	Bachelors of Arts	NEPA/Section 4(f) and Section 6(f) NEPA Advisor Quality Assurance/Quality Control	31
Brittni Russaw	Masters of Urban and Regional Planning	Document Preparer	1
Daniel Schmanski, PE	Bachelors of Science, Civil Engineering	Stormwater Detention, Floodplain, Water Well/Aquifer Impacts	10
Kevin Sheahen, PE Estimator/Certified Professional Estimator	Masters Business Administration Bachelors of Science, Mining Engineering	Capital Cost Estimates	36
Matt Shriffer	Masters, Audio and Acoustics Bachelor of Science, Audio Engineering	Noise Analysis	7
Anna Shoji	Bachelors of Arts	Document Control	2
Justin Sorensen GIS Specialist II	Bachelors of Arts Anthropology	GIS Analysis	8
Lydia Statz, Graduate Intern	Master of Urban Planning (pending)	Environmental Justice	1
Christine Wolfe	Bachelor of Arts in Neurobiology	Secondary and Cumulative Effects Analysis	2
Fang Yang	Masters, Atmospheric Science Bachelor of Science, Physics	Air Quality Analysis Energy Analysis	28
Edward Yousif, PE	Bachelors of Science, Civil Engineering	Stormwater Detention, Floodplain, Water Well/Aquifer Impacts	20
Fitzgerald & Halliday, Inc.			
Carol Gould, AICP Associate/ Senior Project Manager	Bachelors of Biology and Environmental Studies	Land Use, Community, and Economics Technical Memorandum Environmental Justice Technical Report	22
Shawna Kitzman, AICP Senior Planner	Bachelor of Fine Arts	Land Use, Community, and Economics Technical Report	10
Eric Smith GIS Analyst and Planner	Masters, GIS Bachelors, Geography	GIS Analysis	8
The McCormick Group, Inc.			
Matti McCormick President, Principal Consultant	MBA Bachelors of Arts	DEIS Final Scoping Report, Stakeholder Database Maintenance, Public and Agency Outreach	30
Quandel Consultants, LLC			
Charles Hoppesch, PE Associate and Project Engineer	Bachelors of Science Civil Engineering	Alternatives Analysis, Railroad Coordination, Engineering, Operations Planning	6
W. Robert Moore, PE Principal and Chief Engineer	Master of Business Administration Bachelors of Science	Alternatives Analysis, Railroad Coordination, Engineering, Operations Planning	40

Name/Title	Education	DEIS Contribution	Years of Experience
Kathleen Mullen, EIT Project Engineer	Bachelors of Science Civil and Environmental Engineering	Alternatives Analysis, Railroad Coordination, Engineering, Operations Planning	1
William R. Otter, Jr. Senior Rail Operations Planner	Bachelors of Science Business Administration	Operations Planning	45
